

Brief Biography

Sam S. H. Wu, M.D. M.A. M.P.H. M.B.A. is System-wide Chairman of the Department of Physical Medicine and Rehabilitation in Geisinger Musculoskeletal Institute, Physiatrist-in-Chief of Geisinger Health System, and Professor in Geisinger Commonwealth School of Medicine. He is currently the Pediatric Rehabilitation Editor of PM&R Knowledge NOW.

Dr. Wu has worked with the World Health Organization (WHO), United Nations (UN), and the Center for Disease Control and Prevention (CDC) on issues relating to the rehabilitation of large populations. Dr. Wu's advocacy efforts also include his service as the Treasurer and Member of the President's Cabinet of the International Society of Physical and Rehabilitation Medicine (ISPRM), the North and South America Continental Director of the International Exchange Committee of ISPRM, President of the Board of Directors of the Center for the Independence of the Disabled in New York (CIDNY), President of the Board of Directors of the Delaware Valley Stroke Council (DVSC), President of the New York Society of Physical Medicine and Rehabilitation, and Member of the Board of Governors of the American Academy of Physical Medicine and Rehabilitation (AAPM&R). In these healthcare leadership roles, Dr. Wu has consistently advocated for persons with disability to have access to cost effective high quality healthcare.
