

Anne Cusick, PhD is Professor and Chair of Occupational Therapy at The University of Sydney Australia in the Faculty of Medicine and Health. She is also Emeritus Professor at Western University, Australia, in the School of Science and Health. She is an advocate for, researcher in and teacher of evidence based practice in allied health rehabilitation practice, allied health education and interprofessional education in the health sciences. She has held a variety of senior leadership roles in universities and in the profession of occupational therapy where she served as Editor in Chief of the Australian Occupational Therapy Journal a leading international publication for dissemination of occupational therapy research. She is leading a project to introduce Cochrane Corners into the journal to enhance awareness and increase uptake of Cochrane Reviews in evidence based occupational therapy practice.
