

Prof. Stefano Negrini, MD (Italy)

Prof. Negrini is an Associate Professor and Chair of “PRM” at the University of Brescia. He is Scientific Director of Rovato (Brescia) Centre of the Care and Research Institute Fondazione Don Gnocchi, Milan. He is Scientific Director of ISICO (Italian Scientific Spine Institute) (www.isico.it), Milan. He is Chief-Editor of the EJPRM. He is Associate Editor of Scoliosis, BMC Musculoskeletal Disorders, Prosthetics and Orthotics International, and European Spine Journal. He is in the Editorial Board of Disability and Rehabilitation, Revista de Medicina Física e de Reabilitação, and Fizikalna i rehabilitacijska medicina. He is a peer reviewer for a large number of indexed journals including Lancet, Canadian Medical Journal, and Plos One. He is actively working in several PRM scientific societies: EBM Committee Chair of the ESPRM; invited member of the ESPRM Executive Committee; Past-President and Member of the Advisory Board of the international Society On Spinal Orthopaedic and Rehabilitation Treatment (SOSORT); and National Scientific Secretary of the Italian Study Group on Scoliosis and spinal diseases (GSS). He is the Italian delegate of the UEMS PRM Section and a member of the European Academy of Rehabilitation Medicine. He has won 12 research awards and organized multiple international, national and regional meetings as President, Scientific Secretary and/or Chair of the Scientific Committee. He is in the list of the Top Italian Scientists (http://www.topitalianscientists.org/Top_italian_scientists_VIA-Academy.aspx).

His actual H-Index is 28 (Scopus) with 2660 citations in 233 papers.

The list of 217 PubMed/Medline/Index Medicus papers is available at:

<http://www.ncbi.nlm.nih.gov/sites/myncbi/1bgXvUkNhDV/bibliography/40554876/public/?sort=date&direction=descending>).

He has also published 30 books (mainly in Italian), more than 100 papers in Italian journals, more than 120 book chapters, and had more than 250 abstracts accepted in peer reviewed meetings. He has always worked in EBM and has been author of 4 Cochrane Reviews (one of them updated once) (29–33). He has also started a Cochrane Corner in the EJPRM (4,34), with systematic publication of Cochrane reviews of PRM interest, as well as reviews of the existing PRM contents in Cochrane Database of Systematic Reviews.
